

The Clooneigh River

Help protect your local river

The Clooneigh River is one of 190 areas nationally that is prioritised for action to protect and restore our waters.

You are invited to a Community Information Meeting about the Clooneigh River and what it means to be part of an area for action. This is a new way of working to improve water quality and everyone can play their part!

The area covered by the Clooneigh River stretches from the townlands of Derrane to Kilroosky, Toneegee to Kiltreevan, Roxborough to Emmoo to Kiltreevan.

Where: Kiltreevan Community Centre, Co. Roscommon

When: 7.30pm, 5th December 2018
